JOH's 5th Annual Kids 360 Charity Event

November 8, 2017 - Billerica, MA - JOH, one of the strongest regional brokers in America, is proud to announce that its 5th annual Kids 360 charity event was a great success. Kids 360 is a non-profit, 501(c)(3) organization created by JOH that takes a 360 degree approach to a child's life. Monies raised from the event go directly to children's charities which provide everything from clothing, food, toys, medical support and school supplies to children in need. By the close of 2017, Kids 360 will have given over \$200,000 to various children's charities.

Attendees included JOH clients and customers who participated in 18 holes of golf followed by a live auction and dinner at Woodland Golf Club in Auburndale, MA.

“This was a milestone year for Kids 360,” said John Saidnawey, Chairman & CEO of JOH. “Seeing our mission come to life for the fifth year makes me proud to be part of such a caring community. The continuous support that Kids 360 receives from our industry is tremendous.”

Harry O’Hare, JOH founder, took pride in giving back to the community and spent a lifetime helping those less fortunate. His vision led to the creation of this charity and is the inspiration that launched the concept of Kids 360.
