## **Congratulations to Jessica Yarmaloff Newly Appointed JOH Associate Director, Drug Channel, Analytics & Insights**

July 17, 2020 - Billerica, MA - JOH is proud to announce the promotion of Jessica Yarmaloff to Associate Director, Drug Channel, Analytics & Insights.

Since starting as a JOH Category Management Analyst in 2014, Jessica has been promoted three times. She was promoted to Senior Category Management Analyst in 2016 and then to Business Development Manager in 2018.

In her new role, Jessica will provide direction and leadership to the Non Foods Analytics and Insights team regarding all data needs. She will help build the team by setting goals, prioritizing focus areas and key initiatives, and delivering results to JOH clients and customers.

“Jessica’s knowledge of CVS Extra Care and the insights she has uncovered for our clients have been invaluable. She has pushed JOH to the head of the class with this very important platform,” said Kevin Tassinari, EVP, Non Foods Division. “She has always demonstrated a tremendous work ethic and this promotion is well-deserved. We are very proud to have her on our amazing team.”

Jessica lives in Easton, MA and loves spending quality time with her friends, family and her dog, Lucy. She doesn’t miss a chance to attend country concerts and travel (pre-Covid-19, of course). She can be reached at [jjarmaloff@johare.com](mailto:jjarmaloff@johare.com).
