JOH's 4th Annual Kids 360 Charity Event

October 20, 2016 - Billerica, MA - For the fourth year, JOH hosted its annual Kids 360 charity event with great success. Kids 360 is a non-profit entity created by JOH that takes a 360 degree approach to a child's life. Monies raised go directly to carefully chosen children's charities which then provide everything from clothing, food, toys, medical support and school supplies to children in need. By the close of 2016, Kids 360 will have given over \$200,000 to various children's charities.

Attendees included JOH clients and customers who participated in 18 holes of golf followed by a live auction and dinner.

"All children should have the childhood they deserve," said John Saidnawey, President & COO of JOH. "The support that Kids 360 receives from our industry is humbling. Seeing our mission come to life each year at this event makes me proud to be part of such a caring community."

Harry O'Hare, JOH founder, took pride in giving back to the community and spent a lifetime helping those less fortunate. His vision led to the creation of this charity and is the inspiration that launched the concept of Kids 360.
