**BILLERICA, Mass., Jan. 25, 2023** — As the 10<sup>th</sup> anniversary year of Kids 360 comes to a close, we are proud to announce that the foundation has donated over \$615,000 to children's charities to date. The 10th Annual Kids 360 Charity Event that took place in the fall was a huge success. With record-breaking attendance and a new format, clients, customers and associates joined together for a wonderful day at Woodland Golf Club in Auburndale, MA.

Monies raised for Kids 360, a nonprofit, 501(c)(3) organization created by JOH that takes a 360-degree approach to a child's life, go directly to children's charities that provide clothing, food, medical support, school supplies and more to children in need. This year, the event featured nine holes of golf, a skills competition, product sampling, networking, a live auction and lots of laughs.

"What a special year this was," said John Saidnawey, Chairman & CEO. "None of this would be possible without the ongoing support of our clients and customers. It is because of your generosity that Kids 360 celebrated this milestone anniversary and made its largest contributions to children's charities yet. This is nothing short of extraordinary. Thank you!"

"A big thank you to those who joined us for the first time this year and those who have been supporting us over the past decade," said Matt O'Hare, President & COO. "It's hard to believe 10 years have passed since we created this great charity. Each year, more clients and customers attend our event. I couldn't be more proud to work in an industry with such giving and kind people. We hope to see everyone back for our 2023 event!"

Harry O'Hare, JOH's founder, took pride in giving back to the community and spent a lifetime helping those less fortunate. Chip O'Hare, John Saidnawey and Matt O'Hare continued the vision of giving back with the creation of the Kids 360 charity. The organization will be hosting its 11<sup>th</sup> annual event on October 2, 2023 at Woodland Golf Club.
